#### **Two Important Events Taking Place this Week!**

Initiation Ceremonies for three new members will be held tomorrow in Waterford at Saint Perpetua Parish and this Saturday after 4:00 Mass we will be having our installation of officers. If you have not attended either of these functions recently you are encouraged to do so. Going to them and listening to the words often helps to remind us of many of the reasons we became Knights to begin with. All are welcome to attend these functions.
